Welcome to Our School

St. Sebastian's School has been a cornerstone of quality education in Kolkata since 1980, founded by the Late Mr. C. Rozario with a simple yet powerful vision — to provide every child with a holistic and nurturing education. What began with just 5 students and 2 teachers has grown into a thriving institution trusted by thousands of families across the city.

Affiliated with the ICSE board, our school believes in the all-round development of every child — academically, physically, and emotionally. We are not just building students; we are building confident, compassionate, and capable individuals ready to face the world.

We are delighted to welcome you — our valued parents — as our most important partners in this journey. Together, let's build brighter futures for our children.

PRINCIPAL'S MESSAGE

Dear Parents and Guardians,

Welcome to St. Sebastian's School — where young minds are nurtured, potential is celebrated, and every child is given the opportunity to become their very best.

Education, in our eyes, is not just about grades — it is about character, curiosity, and confidence. Our passionate educators are committed to creating a warm and inspiring environment where every child feels valued, heard, and motivated to grow.

You, our parents, are the heart of this community. Your trust and partnership mean everything to us, and together, there is nothing we cannot achieve for our children.

Here, every child matters. Every day counts. Every dream is possible.

Shaping Minds. Building Futures.

- Holistic Development of Every Child — Our aim is to nurture not just academic excellence, but the overall growth of every student — intellectually, emotionally, physically, and morally — shaping well-rounded individuals ready for life's challenges.
- Building Character with Knowledge — We are committed to instilling strong values of integrity, compassion, and responsibility in every student, ensuring that alongside knowledge, they grow into confident and conscientious citizens who contribute positively to society.

Partnerships Beyond the Classroom

At St. Sebastian's School, we constantly strive to go above and beyond for our students. We have proudly collaborated with Xenicus, Uolo Learn, Healthtek, and our International Student Exchange Programme — because we believe every child deserves the best resources, the best care, and the best opportunities. These partnerships reflect one simple truth — at St. Sebastian's, your child always comes first.

Our Dedicated Library

At St. Sebastian's School, we believe that a love for reading is one of the greatest gifts we can give a child.

Our dedicated library is a quiet, welcoming space stocked with a rich and diverse collection of books — from curriculum resources and reference materials to storybooks, encyclopaedias, and beyond.

GUIDED BY VISION. DRIVEN BY PURPOSE.
